

# VISION!

"Where *there is no vision, the people perish: but he that keepeth the law, happy is he.*"  
(Proverbs 29:18)

An old Japanese proverb says, *Vision without "action" is a daydream, and Action without "vision" is a nightmare.* Let's put our vision to action, by going where we are looking spiritually, as we consecrate! *"Looking unto Jesus the author and finisher of our faith..." (Hebrews 12:2) Make positive changes in the new year and choose to define and refine your life and the world around you, so that it will not be said of you and those you impact or influence... "Where there is no vision, the people perish..." But rather, let the contrary be said, "Where there is vision, the people perish NOT..."*

In a spiritual context, a vision is divine revelation, direction, and supernatural insight from God. It also is discernment or foresight and the power of seeing or conceiving. Vision is the ability to see farther than your physical eyes can look. In the natural, 20/20 vision is normal visual acuity measured at 20 feet. It is the clarity and sharpness of vision at this distance. Let's go forth as visionaries, *united with the vision*, and not *untied with division*.

Let us envision that the same God who gives the *vision* also can give the *pro...vision*. Surely, "the only thing worse than being blind is having sight and no vision." (Helen Keller) So let's plan to join together in special prayer and fasting with 2020 spiritual vision, so that we can see clearly that through God anything is possible!
